

RESOLUTION NO. 26809

A RESOLUTION AUTHORIZING THE FIRE CHIEF TO ORDER THREE THOUSAND ONE HUNDRED EIGHTY (3,180) MARK 1 KITS FROM THE HAMILTON COUNTY HEALTH DEPARTMENT TO REPLACE EXISTING MARK 1 KITS CARRIED ON ALL FRONT-LINE FIRE APPARATUS, FOR A TOTAL PROJECT COST IN THE AMOUNT OF ONE HUNDRED TWENTY-THREE THOUSAND SEVEN HUNDRED SIXTY-SIX DOLLARS (\$123,766.00).

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CHATTANOOGA, TENNESSEE, That the Fire Chief be and is hereby authorized to order 3,180 Mark 1 Kits from the Hamilton County Health Department to replace existing Mark 1 Kits carried on all front-line fire apparatus, for a total project cost in the amount of \$123,766.00.

The Mark 1 auto injectors (kits) are a quick, portable way to administer an antidote to our first responders if they are exposed to a nerve agent due to a terrorist-type incident. Funding is from the MMRS 2009 Grant that does not require a city match. The Hamilton County Health Department and the Chattanooga Fire Department have a Memorandum of Understanding dated June 18, 2003, for the Health Department to purchase needed medicines for the Fire Department.

ADOPTED: August 9, , 2011
