The following are the RPA’s key findings for this site:

1. The proposed site for the liquor store is located at 5032 Brainerd Road. The building contains two commercial tenants. A previous liquor store was approved in this location by the City Council in 2020 (Resolution #30197).

The proposed site is pictured below:

2. The probable effect on the property adjacent to the site under consideration.

▪ RPA response:

a. Adjacent land uses include the following:

- North: Commercial / Medical Office
- South: Single-Unit Residential
- East: Commercial
- West: Commercial

b. Off-street parking and loading facilities: The site has a parking lot with approximately 24 parking spaces.

c. Points of access and ingress/egress: The site has a parking lot with a curb cut for ingress/egress, off Brainerd Rd and one off S St Marks Ave.

- d. The Chattanooga Department of Transportation may require the parking lot to be restriped for ADA compliance.
- e. The lot, yard and open space requirements: There is no minimum lot size for commercial uses in the C-2 Convenience Commercial Zone.
- f. Whether a traffic hazard will be created: The site is an existing commercial building with curb cuts on two streets.
- g. The Land Development Office has no concerns or comments.
- h. Based on Sec. 5-108 Location and signs for liquor stores, distance requirements for parks, places of worship, schools, day care centers and other liquor stores apply to properties zoned C-2 Convenience Commercial:

Sec. 5-108. - Location and signs for liquor stores.

- a) **No lot proposed for a liquor store site may be located within five hundred (500) feet from the nearest property line of a site which is used for the purpose of a recreational park (ornamental parks are not to be considered in this requirement), place of worship, school (an academic learning center whether public or private, from the level of nursery through twelfth grade), day care center or other liquor store.** Measurement shall be made from the nearest property line of the applicant's premises to the nearest property line of the above mentioned uses. Measurements for leased premises shall be measured from the property line of the applicant to the nearest property line of the above mentioned uses measured on a straight line basis. For purposes of this subsection, the applicants' property line on leased premises shall be construed to be the nearest point of a leasehold line.
- b) The distance prohibition set forth in Subsection (a) shall not apply to a retail license or permit for the sale of wine and/or high alcohol content beer as defined by T.C.A. § 57-3-101 within the area zoned C-3 Central Business Zone or within the area zoned pursuant to the Downtown Form-Based Code (City Code Chapter 38, Article XVI).

- o The proposed liquor store property is zoned C-2 Convenience Commercial Zone; therefore, the distance prohibition applies. **An RPA field review indicates there are no school, recreational parks, places of worship or other liquor store within 500' of the site so the site is in compliance with the buffer requirements.**

3. The consistency of the proposal with the intent and purpose of this article to promote the public health, safety, morals and general welfare.

▪ RPA response:

- a. The site is zoned C-2 Convenience Commercial Zone (see zoning map below).
- b. Liquor stores are listed as a use permitted as Special Exceptions by the City Council.
